

Continuing Education Information for Pharmacists

The following sessions have been selected and approved for ACPE credit for pharmacists. Pharmacist attendees may use this form to track their sessions attended. Select no more than one session per time slot. Pharmacists must submit their NABP e-Profile ID number and four-digit date of birth code (MMDD) with their other identifying information when completing the online activity evaluations in order to have their CE credit processed. CE credit will be posted to your NABP profile within six weeks after completion of the conference.

Wednesday, March 13 – Preconference Workshops

The University of Maryland School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Successful completion of each activity requires participation in the entire activity, and completion of an online activity evaluation survey. Statements of credit will be posted to participants' CPE Monitor profile within six weeks of successful completion of this activity. These activities are jointly provided by the American Academy of Hospice and Palliative Medicine.
