AAHPM Virtual Career Fair – Updated for 2021

AAHPM is excited to roll out a new platform for recruiters to utilize during the 2021 Virtual Career Fairs! Our new virtual platform will allow you to attract high quality candidates to your virtual event booth as well as highlight the opportunities you are offering.

All career fair exhibitors will now be able to invite qualified candidates to speak to them at their booth before the event. During the event, employers will hold pre-scheduled chats with candidates to make the most of the networking time.

This means employers will be able review all of the registered candidates before the event, invite qualified candidates to set up a time to speak one-on-one during the fair, and effectively chat with as many candidates that accept your invitation.

Additionally, employers that sign up for all three 2021 AAHPM virtual career fairs at one time receive a \$150 discount!

2021 AAHPM Virtual Career Fair dates:

- June 15, 2021
- August 19, 2021
- November 12, 2021
