

2025 Annual Assembly Pre-Registration Disclosure

The 2025 Annual Assembly of Hospice and Palliative Care has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Joint Providership of the American Academy of Hospice and Palliative Medicine (AAHPM) and the Hospice and Palliative Nurses Association (HPNA).

Assembly Intended Audience

The Annual Assembly of Hospice and Palliative Care is designed for physicians, advanced practice nurses, pharmacists, PAs, advanced practice and registered nurses, researchers/scientists, psychologists, social workers, administrators, fellows, residents, chaplains and spiritual care providers, students and professionals in training and those interested in acquiring, maintaining, or expanding the skills needed to function effectively in the field of hospice and palliative care.

Assembly Purpose

The AAHPM and HPNA collectively identify and share the responsibility to advance the specialty of hospice and palliative care. Our purpose for the Assembly is to foster a premier continual learning experience where both expert, proficient, and early career hospice and palliative care providers and others wishing to advance their hospice and palliative care practice skills can collaborate to improve the care of patients and families with serious illness.

Assembly Desired Outcome

Through interdisciplinary team collaboration and integrated engagement, our Annual Assembly's desired outcome is to enhance the learners' knowledge/skills/strategy or performance to increase competency, influence behaviors, and/or improve patient outcomes in hospice and palliative care.

Accommodations Americans with Disabilities Act (ADA)

For potential participants in need of accommodation related to activity accessibility, please contact info@aaahpm.org or call 847-375-4712 at least one month prior to the start of the conference. Information on how to submit a request for accommodation will be provided upon inquiry. After the request is received, a phone call discussion will be initiated with the potential participant to determine the appropriate and necessary accommodations and resources needed.

Assembly Disclosures

The 2025 Annual Assembly Planning Committee, staff and reviewers disclosed no relevant financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All relevant financial relationships identified throughout the faculty and content selection process will be successfully mitigated and disclosed prior to the individual(s) assuming their role in the 2025 Annual Assembly. For more information on the Standards for Integrity and Independence in Accredited Continuing Education, please visit <https://www.accme.org/standards-resources>.

Assembly Disclaimer

The accredited education clinical content selected for the 2025 Annual Assembly of Hospice and Palliative Care is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgment of a health care provider relative to diagnostic and treatment options of a specific patient's medical condition. Any recommendations made by the authors and faculty must be weighed against the healthcare clinician's own clinical judgment based on, but not limited to, such factors as the patient's condition, benefits versus risks of suggested treatment, and comparison with recommendations of pharmaceutical compendia and other medical and palliative care authorities.

Accredited Continuing Education Awards and MOC credits planned for the 2025 Annual Assembly

- Physician ACCME CME and MOC
- AAFP Prescribed Credits (application in process pending approval)
- ABPLM Certified Medical Director Credit (application in process pending approval)
- RN and APRN ANCC NCPD and Category 1 Pharmacotherapeutic Contact Hours
- Physician Associate (PA) CME Credits
- Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) credits (In-Person only) (application in process pending approval)
- Pharmacists and Pharmacy Technicians (ACPE) Knowledge-Based CPE Credits (In-Person only) (application in process pending approval)
- Other Certificate of Participation

Planned Accredited Continuing Education Credits/Contact Hours Include:

- Preconference workshops February 5, 2025, up to 7.5 credit/contact hours
- In-Person conference from February 6-8, 2025, up to 13.5 credit/contact hours
- Minimum of 45 credit/contact hours in virtual on-demand session pre-recorded content*

AMERICAN ACADEMY OF
HOSPICE AND PALLIATIVE MEDICINE

The American Academy of Hospice and Palliative Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AAHPM designates this **other** activity (blended credit for real-time and self-paced learning) for a minimum of 45 hours of *AMA PRA Category 1 Credit(s)*[™].

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**The number of AMA PRA Category 1 Credit[™] is subject to change upon presenter availability and submitted session pre-recordings for on-demand participation. Additional information regarding maximum AMA PRA Category 1 Credit[™] allowed will be updated following pre-recorded session submissions for enduring access when available.*

Access to on-demand conference recordings closes May 14, 2025, at 11:59pm Pacific Time. Evaluation period closes for claiming CME credits and MOC points on July 1, 2025, at 11:59PM PT.

Maintenance of Certification (MOC) Points

The 2025 Annual Assembly of Hospice and Palliative Care is planned in the context of one or more of the ABMS/ACGME Competencies and includes an evaluation designed to assess changes in learners' competence, performance, or the impact on patient outcomes.

To support MOC reflection opportunities, the 2025 Annual Assembly offers end of day accredited education homerooms in the in-person space where learners engage with faculty and colleagues to share key learning points and discuss session reflections. Learners are asked to choose sessions reflective of their top learning priorities and to keep track of at least one key learning point from each attended session for reflective learning.

AAHPM has registered the 2025 Annual Assembly of Hospice and Palliative Care to offer MOC points to the following certifying Boards:

- **American Board of Anesthesiology:** This activity contributes an anticipated 45 CME credits* to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology[™] (MOCA[®]) program, known as MOCA 2.0[®].
- **American Board of Internal Medicine:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn an anticipated 45 MOC medical knowledge points* in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity.
- **American Board of Pediatrics:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn an anticipated 45 MOC points* in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program.
- **American Board of Surgery:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn an anticipated 45 credits* toward the CME of the American Board of Surgery's Continuous Certification program.

** Number of MOC points/credits are subject to change upon presenter availability and submitted session pre-recordings for on-demand participation.*

Use of Learner Data: It is AAHPM's responsibility to submit participant completion information to ACCME for the purpose of granting registered certifying board's MOC credit. Learner data will be shared with ACCME and the applicable certifying board. By completing the evaluation component to obtain CME/MOC points, you give AAHPM permission to share your data with ACCME and the relevant certifying board(s) where applicable.

Physicians claiming MOC points for their participation in the 2025 Annual Assembly must attest to meaningful activity participation and completion/submission of (1) Session-Level and (2) Overall Annual Assembly Evaluations within the time frame designated for the MOC points to count toward any MOC requirements that are due by the end of 2025. Evaluation period closes for claiming CME credits and MOC points on July 1, 2025, at 11:59PM PT. There will be a \$50.00 charge for re-opening evaluation access for late submissions through December 31, 2025.

De-identified aggregated data from the evaluation may be used for research and/or publication and will conform to generally accepted standards of experimental design, data collection and analysis where indicated.

RN and APRN Nursing Continuing Professional Development (NCPD) Contract Hours*

The Hospice and Palliative Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. **Provider number P0284.**

Successful conference completion awards the RN participant up to 45 contact hours* (60 minutes per contact hour) in blended activity format. Attendees must attend the session in its entirety, attest to attendance at the time of evaluation, and complete/submit the online evaluations within the time frames designated.

NCPD certificates will delineate Category 1 Designated Pharmacotherapeutic Contact Hours earned in addition to NCPD contact hours awarded for successfully completed conference sessions.

**Number of NCPD contact hours are subject to change upon presenter availability and submitted session pre-recordings for on-demand participation.*

Access to on-demand conference recordings closes May 14, 2025, at 11:59pm Pacific Time. Evaluation period closes for claiming NCPD contact hours and Category 1 Designated Pharmacotherapeutic contact hours on July 1, 2025, at 11:59PM PT. There will be a \$50.00 charge for re-opening evaluation access for late submissions through December 31, 2025.
