

2025 Assembly On-Call

Accredited Education Disclosures

The 2025 Assembly On-Call has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Joint Providership of the American Academy of Hospice and Palliative Medicine (AAHPM) and the Hospice and Palliative Nurses Association (HPNA).

Assembly On-Call Intended Audience

Assembly On-Call is designed for physicians, advanced practice nurses, pharmacists, PAs, advanced practice and registered nurses, researchers/scientists, psychologists, social workers, administrators, fellows, residents, chaplains and spiritual care providers, students and professionals in training and those interested in acquiring, maintaining, or expanding the skills needed to function effectively in the field of hospice and palliative care.

Assembly Purpose

The AAHPM and HPNA collectively identify and share the responsibility to advance the specialty of hospice and palliative care. Our purpose for the Assembly is to foster a premier continual learning experience where both expert, proficient, and early career hospice and palliative care providers and others wishing to advance their hospice and palliative care practice skills can collaborate to improve the care of patients and families with serious illness.

Assembly Desired Outcome

Through interdisciplinary team collaboration and integrated engagement, our Annual Assembly's desired outcome is to enhance the learners' knowledge/skills/strategy or performance to increase competency, influence behaviors, and/or improve patient outcomes in hospice and palliative care.

Accommodations Americans with Disabilities Act (ADA)

Presenting faculty are asked to prepare and submit an accessible self-recording of their session(s) before the opening of Annual Assembly for on-demand access to all registrants. The presentation recordings submitted are requested to adhere to best practices in accessibility to ensure content is inclusive to all learners, including people with disabilities. Please contact info@aaahpm.org or call 847-375-4712 for additional information.

Assembly Disclosures

The 2025 Annual Assembly Planning Committee, staff and reviewers disclosed no relevant financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All relevant financial relationships identified throughout the faculty and content selection process will be successfully mitigated and disclosed prior to the individual(s) assuming their role in the 2025 Annual Assembly. For more information on the Standards for Integrity and Independence in Accredited Continuing Education, please visit <https://www.accme.org/standards-resources>.

Assembly Disclaimer

The accredited education clinical content selected for the 2025 Annual Assembly of Hospice and Palliative Care is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgment of a health care provider relative to diagnostic and treatment options of a specific patient's medical condition. Any recommendations made by the authors and faculty must be weighed against the healthcare clinician's own clinical judgment based on, but not limited to, such factors as the patient's condition, benefits versus risks of suggested treatment, and comparison with recommendations of pharmaceutical compendia and other medical and palliative care authorities.

Assembly On-Call Accredited Continuing Education Awards and MOC credits planned

- Physician ACCME CME and MOC
- AAFP Prescribed Credits (application in process pending approval)
- RN and APRN ANCC NCPD and Category 1 Pharmacotherapeutic Contact Hours
- Physician Associate (PA) CME Credits
- General Certificate of Participation

Planned Accredited Continuing Education Credits/Contact Hours Include:

- Minimum of 45 credit/contact hours in virtual on-demand session pre-recorded content*

The American Academy of Hospice and Palliative Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AAHPM designates this **other** activity (blended credit for real-time and self-paced learning) for a minimum of 45 hours of *AMA PRA Category 1 Credit(s)*[™].

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**The number of AMA PRA Category 1 Credit[™] is subject to change upon presenter submitted session pre-recordings for on-demand participation.*

Access to on-demand conference recordings closes June 26, 2025, at 11:59pm Pacific Time. Evaluation period closes for claiming CME credits and MOC points on June 26, 2025, at 11:59PM PT.

Maintenance of Certification (MOC) Points

The 2025 Annual Assembly of Hospice and Palliative Care is planned in the context of one or more of the ABMS/ACGME Competencies and includes an evaluation designed to assess changes in learners' competence, performance, or the impact on patient outcomes.

AAHPM has registered the 2025 Annual Assembly of Hospice and Palliative Care to offer MOC points to the following certifying Boards:

- **American Board of Anesthesiology:** This activity contributes an anticipated 45 CME credits* to the CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®.
- **American Board of Internal Medicine:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn an anticipated 45 MOC medical knowledge points* in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity.
- **American Board of Pediatrics:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn an anticipated 45 MOC points* in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program.
- **American Board of Surgery:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn an anticipated 45 credits* toward the CME of the American Board of Surgery's Continuous Certification program.

** Number of MOC points/credits are subject to change upon presenter submitted session pre-recordings for on-demand participation.*

Use of Learner Data: It is AAHPM's responsibility to submit participant completion information to ACCME for the purpose of granting registered certifying board's MOC credit. Learner data will be shared with ACCME and the applicable certifying board. By completing the evaluation component to obtain CME/MOC points, you give AAHPM permission to share your data with ACCME and the relevant certifying board(s) where applicable.

Physicians claiming MOC points for their participation in Assembly On-Call must attest to meaningful activity participation and completion/submission of (1) Session-Level and (2) Overall Annual Assembly Evaluations within the time frame designated for the MOC points to count toward any MOC requirements that are due by the end of 2025.

Evaluation period closes for claiming CME credits and MOC points on June 26, 2025, at 11:59PM PT. There will be a \$50.00 charge for re-opening evaluation access for late submissions through December 31, 2025.

De-identified aggregated data from the evaluation may be used for research and/or publication and will conform to generally accepted standards of experimental design, data collection and analysis where indicated.

American Academy of Family Physicians (AAFP) Prescribed Credits

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Conference organizers plan to apply for 21.0 Live AAFP Prescribed CME credits and a max of 21.0 enduring on-demand Prescribed credits. The total number of approved credits is yet to be determined. AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s)[™] toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

Physician Associate (PA) CME Credits

NCCPA accepts AMA PRA Category 1 Credit[™] from organizations accredited by ACCME and AAFP prescribed credit. PAs may claim an anticipated maximum of 45* AMA PRA Category 1 Credit[™] for successful completion.

*The number of AMA PRA Category 1 Credit[™] credits are subject to change upon presenter availability and submitted session pre-recordings for on-demand participation.

RN and APRN Nursing Continuing Professional Development (NCPD) Contract Hours*

The Hospice and Palliative Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. **Provider number P0284.**

Successful Assembly On-Call completion awards the RN participant up to a minimum of 45 contact hours* (60 minutes per contact hour) in blended activity format. Attendees must participate in the session in its entirety, attest to participation at the time of evaluation, and complete/submit the online evaluations within the time frame designated.

NCPD certificates will delineate Category 1 Designated Pharmacotherapeutic Contact Hours earned in addition to NCPD contact hours awarded for successfully completed conference sessions.

*Number of NCPD contact hours are subject to change upon presenter submitted session pre-recordings for on-demand participation.

Access to on-demand conference recordings closes June 26, 2025, at 11:59pm Pacific Time. Evaluation period closes for claiming NCPD contact hours and Category 1 Designated

Pharmacotherapeutic contact hours on June 26, 2025, at 11:59PM PT. There will be a \$50.00 charge for re-opening evaluation access for late submissions through December 31, 2025.
