

AAHPM Virtual Career Fairs 2026

AAHPM is excited to host two Virtual Career Fairs in 2026 on the recruitment platform, Radancy. These events will take place on September 17th and December 11th 2026 from 10am-1pm EST. Attract high quality candidates to your virtual event "booth" as well as highlight the job opportunities you are currently looking to fill.

All career fair exhibitors will now be able to invite **qualified candidates** to speak to them at their virtual booth before the event. During the event, employers can hold pre-scheduled chats with candidates to make the most of the networking time.

This means employers will be able review all of the registered candidates before the event, invite qualified candidates to set up a time to speak one-on-one during the fair, and effectively chat with as many candidates that accept your invitation.
